STATEMENT ACCOMPANYING PETITION FOR REVIVAL
OF AN APPLICATION FOR PATENT ABANDONED
FOR FAILURE TO NOTIFY THE OFFICE OF A FOREIGN
OR INTERNATIONAL FILING UNDER 37 C.F.R. 1.137(f)

Sir:

In an Office Action dated June 2, 2004, the Examiner noted that Applicants' nonpublication request in the present patent application was not rescinded, that the

invention disclosed in the present patent application is the subject of WO 2002/061955, EP 1330882, and AU 2002249880, and that there was no notification of the foreign (or multilateral) filings. Accordingly, it was indicated that the application would be held abandoned, and that Applicants should file a petition under 37 CFR 1.137(b)(f).

Applicants' undersigned attorney has taken over the prosecution of the present patent application and a number of other related patent applications, and recently reviewed and began a response to the June 2, 2004, Office Action in the present patent application. Following a review of the patent application and the foreign (and multilateral) filings referenced by the Examiner, it appears that the Examiner is indeed correct. Review of a number of related patent applications which are commonly owned and directed to related subject matter, as well two issued patents which are also commonly owned and directed to related subject matter, have the same error in that they also requested nonpublication and failed to rescind the nonpublication request in a timely fashion.

Applicants' undersigned attorney has spoken with members of the U.S. Patent and Trademark Office Office of Petitions, including Mr. Jayprakash N. Gandhi, Mr. Paul A. Shanoski, and Mr. Mark O. Polutta regarding the various cases. Applicants greatly appreciate the kind assistance afforded by these individuals. It has come to the attention of Applicants' undersigned attorney in the course of these discussions that a number of attorneys and firms have made such mistakes.

The failure to rescind the request not to publish was inadvertent and not intended by Applicants. A copy of a Petition for Revival of an Application for Patent Abandoned for Failure to Notify the Office of a Foreign of International Filing (Form PTO/SB/64a) and the requisite fee of \$1,370.00 is enclosed herewith. The U.S. Patent and Trademark Office is also authorized to charge any additional fee(s) required to restore the present patent application to pending status, or to credit any overpayment, to Deposit Account No. 18-0882.

Simultaneously with the filing of this petition, an Amendment A and an extension of time of two months in responding to the Office Action of June 2, 2004, are being filed. Since this Petition must be sent to a different mail stop than the Amendment A and extension of time, they are not enclosed herewith, but rather are being sent separately. It is believed that the extension of time included with Amendment A is sufficient to extend the time for response for this Petition for Revival as well. Should that be incorrect, an extension of one month is being requested for the filing of this Petition to Revive, and the U.S. Patent and Trademark Office is also authorized to charge the fee for that extension to Deposit Account No. 18-0882.

Accordingly, Applicants respectfully request favorable consideration of the Petition to Revive and restoration of the present patent application to pending status. Should the Office of Petitions believe that the restoration of the present patent application

to pending status may be expedited by a telephonic discussion, the Office of Petitions is requested to call Applicants' undersigned attorney at the number listed below.

Respectfully submitted:
